## **PDA, iPhone and Mobile Phone Network Unlock Disclaimer**

### **1.0 Country Network Unlock Disclaimer**

1.1 "Country Network Unlock" means, Abby Technology will help to you to unlock your phone to be used in New Zealand & accept New Zealand Vodafone SIM Card. This means after unlocking, your phone can make & receive phone calls.

1.2 This service does not cover any other known or unknown existing faults on your phone (such as sending text, charging function, Internet Access (Vodafone Live), multimedia service (MMS) & other related phone functions).

1.3 Some phone may need to have the software upgraded or downgraded in order to perform the unlocking procedure. This will & may cause the loss of data contents & setting on your phone. Owner is hereby advice of this fact & will not claim any liability from management, employees, agents.

1.4 Please note that Vodafone Multimedia Setting (internet access) is NOT included in the network unlock procedure).

### **2.0 Phone Security or PIN Unlock**

2.1 All data contents like names, pictures, music files, internet settings, etc; will be erased permanently for this unlocking procedure. This process is NOT REVERSIBLE. Customer is hereby advised to backup the entire vital information, names & data content before submitting the phone to Abby Technology for phone security or PIN unlock.

This type of unlock service will enable you have access to your mobile phone's functions and DOES NOT cover any existing, pre-existing, known or unknown faults of your phone. For example: phone cannot detect network, cannot charge, keypad faulty, speaker, buzzer, microphone faulty, no internet access or MMS functions.

If your phone is **blacklisted**, (means phone had been barred by the network operator or it has been reported stolen/lost), customer still liable to pay for the agreed unlocking fee.

### **3.0 Acknowledgement & Indemnification**

Customer agrees to the unlocking terms & condition listed before submitting his/her mobile phone for unlocking procedure.

By signing the Service Request Form for our unlocking service, the Customer hereby agreed to the disclaimers stated above; will therefore automatically indemnify Abby Technology, its management, employees, agents against any liabilities, monetary claims at this material for lost of data contents & information.

### **5.0 Data Lost Warning**

Customer must read and understand fully the statement contents of Data Lost Warning as per listed at our website <http://go.to/abby>

### **5.0 Product Warranty**

Customer is liable and responsible for the warranty of the phone submitted for unlocking. In most cases, unlocking or upgrading phone software by owner or third party will void any warranty available to the phone. Please make sure you understand this statement.
